Ayoob, Mohammad	1970	Anliegend füge ich eine Übersicht über das geplante Rahmenprogramm bei. Es macht wenig Sinn, dabei zu sehr ins Detail zu gehen, da es je nach Interesse und Intensität der Gespräche immer wieder zu Verschiebungen kommen wird. Auch zeitlich lässt sich dies nicht so genau festlegen. Der Plan soll nur eine grobe Vorstellung von der Reihenfolge der geplanten Themen vermitteln. Änderungswünsche oder Ergänzungen können wir gerne am Mittwoch abstimmen.	The Institute for Defence Studies and Analysis Journal 3,2:127-156
Ayoob, Mohammad	1985	Die von mir während der Landesanalyse benutzten Unterlagen und weiterführende Informationen habe ich auf einer speziellen Internetseite zusammengetragen, da es wenig Sinn macht, Unterlagen in Papierform zu verteilen. Diese Internetseite beinhaltet u.a. alle an den vier Tagen benutzten Präsentationen (können Sie vorerst unbeachtet lassen) und andere begleitende Materialien. Hier finden sie auch diverse Videos, welche die besprochenen Bereiche etwas besser veranschaulichen sollen. Ich werde versuchen, das eine oder andere Video in unsere Gespräche einzubetten. Zu guter Letzt finden Sie dort zu jedem der Themenbereiche ein paar nützliche Artikel verlinkt (nach Erscheinungsdatum abwärts sortiert), vornehmlich aus den Medien der letzten Wochen, die ebenfalls zur Vertiefung des zu besprechenden Stoffs gedacht sind und derer Sie sich bei Interesse gerne bedienen können.	Asian Survey 25,4:443-457

Ayub, Mohammad	2019	Ich benutze diese private Internetseite schon seit Jahren speziell für die Landesanalyse und habe sie in den letzten Tagen aktualisiert. Sie wird auch in Zukunft weiter bestehen bleiben, so dass sie jederzeit wieder darauf zugreifen können. Ich hatte in den letzten Jahren Teilnehmer*innen, die dies bis heute von Zeit zu Zeit tun. Die Inhalte der Seite werde ich Ihnen am Mittwoch noch besser erläutern.	The Kathmandu Post, 30 December 2019
Aziz-al Ahsan, Syed / Chakma, Bhumitra	1993	Der Link der Website lautet https://tsaksherpa.de/ . Die Seite ist geschützt und ich möchte Sie bitten, die Kennung und das Passwort nicht weiterzugeben, da dies wegen der integrierten Dokumente und Videos Eigentumsrechte verletzen könnte. Für Ihren eigenen Gebrauch können Sie natürlich alles herunterladen, was Sie interessiert. Ich möchte nur nicht wegen fehlender Rechte in Schwierigkeiten geraten. Die Kennung lautet LA-Nepal. Das Passwort werde ich Ihnen gleich mit gesonderter Email mitteilen.	Asian Survey, Vol. 33, No. 11. (Nov., 1993), pp. 1043-1054
Aziz, Barbara Nimri	1977	Schließlich noch ein Hinweis zur PÖK (Politökonomische Kurzanalyse), die wir Trainer in die Landesanalysen integrieren sollen. Diese wird in der Regel einmal jährlich über das GIGA-Institut der Uni Hamburg im Auftrag des BMZ überarbeitet. Ich denke, Sie haben sich bereits auf der Campus-Seite der AIZ angemeldet. Das Gutachten kann dort heruntergeladen werden. Dafür benötigen Sie ein gesondertes Passwort. Dieses lautet in diesem Monat: qgPDnbv8/%28	Contributions to Nepalese Studies 5,1:45-53
